

Honey/ Aislinn Gheal

Honey is a 14.2, 14 year old Irish Sports pony Mare. This fantastic pony is a confidence giver, but not a complete Novice ride. Perfect to clip, catch, shoe and box (walks in on her own) with good manners all round. Very good in traffic. Has previous BE record from previous owners. She also came second in her only pony race at Bedale in 2009. Been on Novice interbranch teams, and Winning Interschool's teams for XC and SJ. She loves competing, super jump and always miles inside the time! Needs able rider to continue to take this very genuine pony further.
